

Fire & Security Engineer - CCTV, Access Control, Lighting

[Apply Now](#)

Company: Hunter Mason Consulting Ltd

Location: West Midlands

Category: construction-and-extraction

Job Title: Fire and Security Engineer

Location: Tamworth, Staffordshire, UK

The company is a prominent provider of cutting-edge fire and security solutions, committed to safeguarding businesses and homes across Tamworth and its neighbouring cities and towns. As our operations expand, they are in search of a skilled and dedicated Fire and Security Engineer to join their team.

Key Responsibilities:

1. **Fire Protection Services:** Installation, and maintenance of fire protection services, including fire alarms, extinguishers, and related safety equipment.
2. **Security Systems, Access Control & CCTV:** Install, and maintain advanced security systems, access control, and CCTV solutions, utilizing the latest technology to enhance overall security measures.
3. **Emergency Lighting:** Implement and maintain emergency lighting systems, guaranteeing visibility and safety during power outages or emergency situations.

4. Planned Reactive Maintenance: Conduct both planned and reactive maintenance activities, responding promptly to service calls to address issues and uphold the reliability of fire and security systems.

5. Fire & Security Maintenance: Manage routine inspections, testing, and maintenance of fire alarms, extinguishers, and other critical components, ensuring compliance with regulatory standards.

Requirements:

- * Proven experience in full design, installation, and maintenance of fire and security systems.
- * In-depth knowledge of fire alarm systems, extinguishers, security systems, access control, CCTV, and emergency lighting.
- * Relevant qualifications and certifications in fire and security engineering.
- * Strong problem-solving skills and attention to detail.
- * Excellent communication and customer service abilities.
- * Commitment to safety and compliance with industry standards.

Benefits:

- * Company van provided for work-related travel.
- * Opportunities for professional development and training.
- * Supportive and collaborative team environment.
- * Health and pension benefits
