Company: Concept Resourcing

Location: Birmingham

Category: architecture-and-engineering

Job Title: Fire Sprinkler Service Engineer

Salary: Up to £40,000 per annum, depending on experience.

Location: London, Swindon, Yorkshire, Birmingham & Leicester

Job Description:

As a Fire Sprinkler Service Engineer, you will be responsible for the maintenance, servicing, and installation of fire sprinkler systems. Your primary duties will include:

Conducting regular inspections and tests of fire sprinkler systems to ensure they are in good working order and compliant with relevant regulations.

Identifying and diagnosing faults or issues with fire sprinkler systems and carrying out repairs as required.

Installing new fire sprinkler systems according to industry standards and customer requirements.

Providing advice and guidance to clients on fire safety and sprinkler system maintenance.

Completing all necessary documentation and paperwork accurately and in a timely manner.

Working collaboratively with other team members and external stakeholders to deliver high-

quality service and customer satisfaction. Qualifications and Experience:

Proven experience working as a Fire Sprinkler Service Engineer or a similar role.

A relevant trade qualification (e.g., NVQ Level 2/3 in Fire Sprinkler Installation or equivalent) is highly desirable.

Familiarity with relevant British Standards and regulations (e.g., BS EN 12845, BS 9251) is essential.

Good communication and interpersonal skills, with the ability to build positive relationships with clients and colleagues.

Strong problem-solving abilities and a proactive approach to resolving issues.

A full UK driving license and the flexibility to travel to different sites as required.

Willingness to undergo training and development to keep up-to-date with the latest industry standards and best practices. Benefits:

Competitive salary of up to £40,000 per annum.

Opportunities for career progression and development.

Company vehicle and equipment provided.

Pension scheme and other benefits as per company policy. Click apply now or message me for further info
