

Flexible Support Worker

[Apply Now](#)

Company: Peters Dean Care Ltd

Location: Worthing

Category: community-and-social-service

Take control of your work-life balance! Part Time or Full Time work available to fit around your life. No more rotas, you can work hours that suit your needs! Care Assistant, Care Worker, Support Worker or Teaching Assistant experience would be highly valued, and the role would also suit Students of Nursing, Psychology, Health and Social Care.

Why Apply?

Choose Your Hours. Work 22-50hrs per week that can work around your commitments

Shifts to Suit You. Choose from a range of Early shifts, Late shifts, Long Day shifts and Night shifts

Interesting and Challenging Work within services supporting people with complex needs. No two days will be the same!

Amazing Support. Weekly welfare calls from experienced, sympathetic and knowledgeable team who put you first

Weekly Payroll. Earn a competitive hourly rate + holiday pay to further top up your earnings

Make a Real Difference. Support our community's most vulnerable people to promote their

wellbeing and independence

Care Assistant/ Support Worker Role

Your role will involve supporting adults with complex learning, physical and behavioural difficulties with community, supported living or residential care settings. You will work your choice of Early, Late, Long Day or Waking Night shifts and can choose to work just a couple of shifts a week or many more. Your role will include physical care (such as personal care and use of hoists), behavioural support (de-escalating challenging behaviours), and help around the home such as help preparing meals and light household duties. You will be given support and training to make the role a success.

Do you enjoy supporting children and adults with complex needs and or working in a supported living service?

Care Assistant/Support Worker Criteria

Relevant social care experience. Applications invited from Care Assistant, Care Worker, Support Worker, Teaching Assistant professionals, people with other relevant social care experience, or students studying relevant courses

Ability to work your choice of Early, Late, Long Day or Waking night shifts (not all of these)

Friendly, organised, proactive and sociable approach

Willingness to support challenging individuals with complex needs

Are you ready to take back control of your work-life balance? Click Apply now and we will be in touch for an initial discussion
