Mach Recruitment is recruiting for several Counterbalance Forklift Drivers to work in a large food production and distribution site in Manchester, Gorton, M18 8EQ.

The role:

As a Counterbalance Forklift Driver you will be working within a food production environment and your duties will be as follows:

Ensuring that all stock delivered is received in line with specification where appropriate and ensuring appropriate traceability is maintained so that required items are available to production when required.

Recording stock movements accurately in real-time to maintain system integrity and system traceability.

Accurately completing any documentation required.

Maintaining high personal hygiene standards and observing all company hygiene, quality, and housekeeping standards.

About you:

As a Counterbalance Forklift Driver, you will have the following skills and experience:

System inventory accuracy.

Stock rotation, waste.

Lot tracking accuracy

Health & Safety, Quality, and GMP targets, measures, and audit results

QMS Adherence

Has good attention to detail, and accuracy and takes pride in their work.

Effective clear communicator [verbal and written] and good at listening and hearing

Able to effectively and meaningfully understand instructions and plans to determine and drive actions.

Engages people with a respectful and helpful attitude.

Ability to plan, prioritise, organise well, and deliver to agreed deadlines.

Takes responsibility and demonstrates initiative.

Role model's behaviours and ways of working we value as a business [Inc. GMP, quality and health and safety]

Flexible and cooperative in approach [Across shifts & departments]

Confidential, professional, and enthusiastic approach

Team Player who builds good working relationships at all levels and collaborates across the factory.

Has a CI mindset

Operates with common sense judgment and can challenge constructively.

Knowledge of Customers, Products, and Brand Values

The Benefits:

Weekly pay.

Training given.

Guaranteed hours for skilled operatives.

Temp to perm opportunity.

Friendly environment.

Free Parking.

Subsidised canteen.

Various training on other MHE (LLOP, PPT, Reach Truck) opportunities for development in the warehouse is available.

Accessible by bus

Mach Recruitment is acting as an Employment Business in relation to this vacancy
