Flutter Developer – Start up – Remote – Up to 80k I am currently working with a Security start up client who are on the lookout for a Flutter developer to join their existing team! They have recently received funding which will go towards developing their Mobile app, solely using Flutter. My client currently has a small existing team of 3 Flutter Developers who are looking for an experienced Flutter Developer who can come on board and take the reigns on their Mobile App Development. At the minute, the team consists of 3 Flutter developers and 3 UI/UX designers. They are looking for someone with at least 3 years experience as a Flutter Developer and some apps that they can show they have worked on. Looking for: 3+ years of experience in Flutter Experience using UI/UX design Background in Native Mobile development
