Company: Perfect Placement

Location: Steep

Category: other-general

Forestry Machine Operator Required

Hampshire, West Sussex, Kent

40 hours per week

£16 - £19 per hour depending on experience and qualifications + overtime Our client a Forestry and Transport Infrastructure Company are seeking a skilled Forestry Machine Operator to join their team; the ideal employee can be based in either Hampshire, West Sussex, or Kent to support the work of their Forestry control operations team. As a Forestry Machine Operator, you will play a crucial role in mechanised tree felling and harvesting operations, ensuring efficiency, safety, and environmental compliance.

Duties and Responsibilities of a FMO / Forestry Machine Operator:

Perform mechanised tree felling and harvesting tasks using equipment such as grapple saws in various forestry operations including clear felling, thinning's, and Duty of Care (DoC) works.

Execute all tasks to the highest standard, maintaining cleanliness and safety on sites.

Operate harvesting machines efficiently to meet production targets while minimising idle time.

Adhere to health, safety, and environmental standards, including site management plans and risk assessments.

Ensure proper usage of machinery and tools in accordance with safe operating procedures.

Conduct routine maintenance on operated machinery and complete necessary documentation.

Collaborate effectively with the forestry team and line managers to achieve team objectives and foster positive working relationships.

Promptly report any issues or incidents to the appropriate personnel.

Assist with material transportation to and from sites.

Attend meetings and participate in training sessions as required.

Uphold Company Policies and Procedures, reflecting the ethos and values of the organisation.

Undertake any other reasonable duties assigned by the Company.

Maintain flexibility and adaptability to accommodate the evolving needs of the Company. Essential Personal Specifications:

Significant experience in large-scale mechanised harvesting operations, including grapple saw operation or similar.

Harvester FMOCS qualified/CPCS tracked/wheeled machines.

Proficient in health, safety, and environmental practices.

Ability to read and interpret maps, including GPS/GIS.

Strong problem-solving skills and flexibility in approach to work.

Good physical fitness and mobility.

Excellent communication skills.

Self-motivated and capable of working well within a team.

Willingness to work in adverse weather conditions.

Full UK driving license. Desirable Characteristics:

NPTC in chainsaw use (maintenance, cross-cutting, and felling up to 380mm).

Driving license category B+E (trailer towing). Join our client in their mission to promote sustainable forestry practices and contribute to the preservation of our natural environment. If you meet the above criteria and are ready for a challenging yet rewarding role, we encourage you to apply to Tom Wharton at Perfect Placement. He helps people find new jobs throughout Hampshire.

We are in the process of reviewing many applications for this position. If you do not hear back

from us within 3 days, please assume you have been unsuccessful on this occasion
