

Frame Manager

[Apply Now](#)

Company: Falcon Green Personnel

Location: Canbury

Category: construction-and-extraction

A leading developer is actively seeking a frame manager to join their team on a major development in South West London.

This developer currently has a new scheme underway in South West London, creating a brand new community. Once completed it will contain over 400 new homes, community park & commercial properties. A multi million pound development, it is made up of 7 RC frame blocks, containing 1-3 bedroom flats.

As a frame manager you will be on a phase reporting into the Project Manager. Your main focus will be monitor all the frame works, ensuring the subcontractor is following program, H&S and monitoring their works.

To be considered for this role you must have;

- * Previous experience working for frame contractors as a site manager or project manager
- * Longevity with previous employers
- * Be from an engineer background
- * Driven attitude
- * Managing H&S

This is a fantastic opportunity to join one of the UK's leading developers, with a strong pipeline of work in the area they can offer excellent career progression opportunities.

For more information on this position as a frame manager, please send your CV to Luke.
