Do you have experience in Freight Forwarding operations? Perhaps you are currently in a Sales or Operations role and are looking to take the next step in your career?

Due to significant investment and planned expansion of the freight forwarding division, an opportunity has arisen for a driven and motivated individual to join a growing business and manage the continued success of the freight forwarding division.

You will be responsible for the daily operation of Freight & Transport movements across the UK & Ireland, ensuring customer requirements are covered.

If you enjoy taking a hands-on approach, have experience in leading teams and enjoy offering high levels of customer service then this might be your next career move!

The Role:

Overseeing the Freight Forwarding Operation

Management of existing accounts whilst offering high levels of customer service

Bringing on new business and developing new accounts

Quoting and arranging FTL & LTL Shipments

Pricing and Invoicing for completed work

You will have:

Previous Freight Forwarding experience

Excellent communication skills

A great customer focused attitude

What's in it for you?

Career Progression

Continuous Professional Development + Further Training

Annual Bonus

This role would suit a motivated individual who wants to grow themselves personally and professionally.
