

United Kingdom Jobs Expertini®

Full Stack Developer (react-native)

[Apply Now](#)

Company: Future Works

Location: United Kingdom

Category: computer-and-mathematical

HOO KOO E KOO is a global brand and product studio. We help create a better future for humanity and the planets.

We collaborate on projects that disrupt markets, provide a leap in human experience, and move toward a more sustainable existence on this planet. We work with organizations who have the ideas, brainpower, resources, and drive required to generate substantial, meaningful impact.

We are a community of pragmatic visionaries, accomplished and well established in our respective crafts, with a shared will to harness our talents for good.

Our development team model is therefore rather unique. Our studio is not only fully remote but fully contract-based (no FTE); we source and create lasting bespoke teams custom to the needs of each of our projects and clients.

Our Full-Stack Developer is a seasoned engineer with past experience building ground breaking consumer products.

Requirements

- React-native
- react-query
- typescript/javascript
- koa/express
- serverless (aws lambda, s3, firebase)
- 5+ years of experience of building full-stack digital products (web and mobile applications)
