

Functional Skills Tutor

[Apply Now](#)

Company: Fleet Tutors

Location: Oxford

Category: other-general

Dedicated Functional Skills tutors needed to support young learners in Milton Keynes.

Fleet Education Services is a provider of high-quality one-to-one and small group education programmes for schools and local authorities that support learners both in and out of school. We provide impactful, quality assured tuition, delivered by the best tutors who all share in our aim to ensure that every learner we support thrives.

What we are looking for

We have learners who need you to make a difference to their lives now; this is your opportunity to provide enduring, holistic in-person support to young people referred to us that demonstrate additional learning requirements or who are struggling to meet age-related academic expectations. Your skill and expertise will play a leading role in improving their self-confidence and subject knowledge, ultimately becoming a positive influence during their journey throughout education. Learners referred to us will generally require tuition either in their own homes with a parent/guardian present for the session, or at their school.

We receive opportunities to tutor throughout Oxfordshire, with in-person placements arising in and nearby Milton Keynes. Our tutors have full control over the hours and placements that they accept from us - applicants with excellent availability for in-person tutoring will be provided considerable hours on a weekly basis, including daytime opportunities.

If you're an engaging teacher or tutor, experienced in supporting Functional Skills and who would relish the opportunity to work with learners in their own homes or schools delivering tuition on a 1:1 or small group basis, then we'd love to work with you.

Key responsibilities

Create lesson plans and deliver tuition programmes that are designed to engage, inspire and teach.

Use of our virtual learning platform to report on attendance, attainment and engagement for all tutoring sessions.

Liaise with schools, local authorities, Fleet Education Services or other key stakeholders to inform and support the pupil or learner you are working with.

Complete training as required and commit to safeguarding principles.

What we offer

Competitive weekly pay through PAYE.

Control over your workload; flexible roles that fit around your existing commitments and availability.

Ongoing training opportunities that count towards your CPD and provide insight into working with SEN learners.

A dedicated Tuition Consultant who will work closely with you to ensure you have as much work as you are able to fulfil, matching you to opportunities that meet your preferences.

Requirements

Bachelor's level degree or teaching qualification (QTS/QTLS).

Minimum 6 months teaching/tutoring experience.

Experience of working with pupils at secondary level essential.

Previous experience and passion for working with learners demonstrating SEN, SEMH learning needs.

In-depth knowledge of the national curriculum for Functional Skills.

A commitment to safeguarding.

Must live and be eligible to work in the UK.

Must be willing to undertake a full Disclosure and Barring Service (DBS) check and referencing process, as well as subscribing to the DBS Update Service.

Diversity and Inclusion: We work together.

Fleet Education Services' mission is to select and support the UK's best tutors to meet the needs of our clients, and as such our people are placed at the heart of everything we do.

We believe that a diverse and inclusive workforce has a positive impact on all our learners and together, we can help them reach their goals. To that end, we welcome all applications regardless of religion, age, ethnicity, gender identity or expression, sexual orientation, disability status or any other aspect which makes you unique.

Applying

In line with the statutory guidance Keeping Children Safe In Education (KCSIE), all candidates must pass our strict processes to ensure their suitability to work with children and young people before being considered for work with us. Our privacy policy can be viewed on our website. As part of our due diligence, additional online searches will be conducted on shortlisted candidates. This advert is for a temporary position; successful applicants will be listed as agency workers.
