Details

### Garment Technologist Overview

We are working with a highly successful company who require a Garment Technologist to join their expanding team.

The Garment Technologist will be working on multi product ranges of Ladieswear.

### Garment Technologist Responsibilities;

Liaise with the factories overseas, send fit comments and chase up delivery's

Measure and inspect garment samples for fit and quality

Create size specifications and test reports

Lead and attend fit sessions and make fit comments

Work closely with internal merchandisers to achieve critical path deadlines.

### Additional Information

It is essential that the Garment Technologist has previous experience in a similar role and will be ready to hit the ground running.

The Garment Technologist must be confident and able to run their own fit sessions and communicate confidently and clearly with both customers and factories.
