Company: Explore Group

Location: London Area

Category: other-general

GCP Engineer - Consulting - Hybrid/Remote - Contract Inside IR35I am currently working with a global finance company who are starting a large-scale transformation towards the Google Cloud platform. The best-matched GCP Engineer would have the following experience: In-depth knowledge of core GCP cloud services Experience architecting, implementing, and supporting GCP infrastructure Knowledge of data- and AI-related GCP services (e.g., Kafka/BigQuery cloud resources) If this sounds of interest please apply or get in touch directly with me at Bart.Townley@exploreltd.com We have multiple other opportunities on this project including hiring for Architects and DevSecOps engineers, please feel free to drop me an email with what you're looking for and I can discuss the other roles we have.
