General Manager FantasticLeisureCentre

Essex

Braintree £37k plus bonus

I am recruiting for a fantastic leisure job in Essex for a leading leisure operator in the Health & Fitness sector. This is an incredibly exciting growing Leisure Management business. I am looking for a dynamic and innovative General Manager who is commercially astute. This is a leisure job not to be missed.

In this role you will work closely with the teams across the contract whilst maintaining effective and strong relationships with all stakeholders. This is an opportunity to manage a multifaceted diverse facility. You will have previous experience in a similar role or maybe looking to move from a single site operation to Multi-provision management.

As a General Manager you will have overall responsibility of running the entire business. You will manage the HODs and ensure that your team are always motivated and driven to provide excellent customer service. Providing great service is a key focus of this role and as the General Manager you will be leading this from the front. We are looking for an individual with the experience of managing a large team and driving the commercials with particular focus on fitness and swim school growth.

What is in it for you

Aside from a competitive salary and bonus opportunity this incredibly exciting role means that you will be reporting directly to the Contract Manager and having frequent dialogue with the exec team. Therefore there is huge potential to develop into a senior leadership role.

What do we need from you

A minimum of 2 years successful club management experience working within either the private or leisure management sectors

Proven and successful track record of management experience within a leisure related industry ideally with fitness and swim experience

You will be highly motivated and have the experience of leading managing and developing a large team

You will be highly organised results driven possess the ability to drive individuals to maximise their potential to ensure all financial goals and targets are met in relation to contract objectives.

Your recruiter for this role is Helen Horton Account Director at Love Recruitment group and can be contacted simply by applying for the role below. Helen and Love Recruitment specialise in recruitment for the whole fitness and leisure sector and work on a number of jobs in the fitness and leisure industry. If keen to be considered please Apply Now.
