Location: United Kingdom

Category: other-general

We are seeking a General Manager to oversee three key business areas within the Group: Calibration, Structural Testing, and Subsidence Investigations. Based in Chesterfield, Leicester, and Billericay, the successful candidate will manage a team of dedicated professionals across these sites.

Responsibilities:

Oversee Calibration, Structural Testing, and Subsidence Investigations businesses.

Manage the day-to-day operations leaders of each business unit.

Develop high-level leadership and growth strategies for each business.

Drive revenue growth for Calibration, navigate a competitive environment for Structural Testing, and manage seasonality challenges for Subsidence Investigations.

Collaborate with department managers to achieve stable units with modest growth in the first year.

Focus on stabilization and modest progress in the first year, with plans to accelerate growth in 2024.

Background (Experience, Skills & Qualifications) Criteria:

Experience in an operationally focused leadership role, with a mix of commercial/sales experience.

Proven success in implementing structures/processes leading to team and revenue growth.

Ideally comes from the Testing, Inspection, and Certification (TIC) industry.

Strong people and change management experience, particularly in merging separate businesses.

Experience with multiple sites or small businesses leadership.

Ideally has experience in a similar industry or company.

Personal Circumstances Criteria:

Resides in the Midlands and willing to travel to Tipton, Chesterfield, and Leicester.

Offer:

Competitive salary

Closing Date: Friday 24th November 23
