### Job Description

Our client, an FMCG manufacturing business, are dedicated to their craft, and their excellence starts with their exceptional team. I'm seeking a passionate General Manager to drive their performance to new heights.

As the General Manager, you will be at the helm of all on-site operations, overseeing the entire manufacturing process and ensuring that production targets are met. You'll play a pivotal role in optimizing efficiency, maintaining quality, and fostering a culture of excellence.

Benefits:

- Annual salary starting at £70,
- Car allowance
- Career progression opportunities

The role:

- Developing and executing strategic plans to enhance operational efficiency and achieve business goals.
- Providing leadership and guidance to all departments, fostering a cohesive and collaborative environment.
- Implementing structured processes and procedures to streamline operations and optimize productivity.
- P & L responsibility – Overseeing budgeting, financial planning, and resource allocation to ensure effective utilization.
- Building and maintaining strong relationships with stakeholders, clients, and partners.

The candidate:

- Results-oriented mindset with a drive to exceed expectations.
- Exceptional planning, organizational, decision-making, and problem-solving skills.
- Commitment to delivering outstanding customer experiences with adaptability to meet business demands.
- Outstanding interpersonal and communication skills, both written and verbal.
- Strong team player, self-motivated, and dedicated to personal and team development.
- Professional, approachable, and a proven leader.

Experience required:

- Happy to speak with experienced General Managers or those seeking a step up to this level
- Essential background in FMCG management
- Working knowledge of P&L

If you are interested, then please apply now or get in touch with Peter Watson at D R Newitt for more information.
