Company: Pearse Partners

Location: London Area

Category: other-general

A Leading Alternative Asset Manager with \$500 billion+ AUM is currently seeking a Senior Associate & VP into their Private Equity Real Assets team in London. Overview The role is to support the wider acquisitions team in a wide variety of tasks related to the origination and execution of infrastructure, industrials, business services, and power investments. The Senior Associate and VP will be required to undertake significant numerical analysis, valuation, financial modeling, and input investment-related internal and external reports and presentations. Role Requirements Active involvement in the analysis, structuring, and execution of deals with a particular focus on asset evaluation/business modeling. Deal origination: research and recommendations on specific markets or opportunities, and identification of key risks and mitigants of investment opportunities. Preparation and/or review of operational and financial models, and the preparation of Investment Committee presentations. Support in raising debt and equity funding for new investment opportunities and portfolio companies. Qualifications Excellent academic background from an internationally recognized top-tier university. Experience at a leading PE fund in relevant sectors. Excellent analytical and technical skills. Strong passion for equity investing. Entrepreneurial mindset.
