Company: Casper Labs

Location: United Kingdom

Category: arts-design-entertainment-sports-and-media

Open to all

Should you be interested in opportunities at CasperLabs and do not see a relevant open role on our careers page please submit a Cv and cover letter to our talent pool. We will review and if we have an opportunity we will reach out or we will store your details and as soon as a relevant position is open we will match you to it and reach out.

We are a team of builders, entrepreneurs, academics, and leaders who believe strongly in the potential of a blockchain-enabled world. We've come together to steward the development of the Casper Network, a blockchain protocol built from the ground up to remain true to core Web3 principles and adapt to the needs of our evolving world. Come join us and help build the future.
