Company: Future Recruitment

Location: United Kingdom

Category: other-general

NEW VACANCY (PK8219)

6:00am - 2:00pm / 2:00pm - 10:00pm / 10:00pm - 6:00am

Our client is a global manufacturer of corrugated packaging products, they are currently looking to recruit a Gluing Machine Operator to join their team.

The chosen candidate will be responsible for general set up and operation of the Bobst Inline Glue machines along with leading a team during a shift to ensure production targets are met.

You will be required to have a basic understanding of the Inline Glue machines and an awareness of machinery health and safety. You will be target driven and possess good communication skills.

Responsibilities / Requirements:

You will be responsible for Continuous Improvement within the Inline Gluing area

Involved in the daily meetings to discuss progress and achievements

Cleaning down the machine and systems

Logging data flow

Completing job bags and QA sheets

High level of organisation and time keeping skills

Ensuring all jobs are produced to a high standard

Enthusiastic and committed

Excellent team player
