Company: NHS Scotland

Location: Paisley

Category: healthcare-practitioners-and-technical

15 King Street, Paisley. PA1 2PS

GP Partner King Street Surgery, Paisley

Serving a patient population of approximately 9700, we are a well-established GP training medical practice based in the West End of Paisley seeking to recruit a six-session GP partner, for a June 2024 start date, due to retirement. Ideally, we would prefer to have Tuesdays and Thursdays covered each week. We can, however, offer some flexibility over which days any remaining sessions might fall.

We are a training practice and our team consists of seven GP partners, one to two GP trainees, two practice nurses, a HCA, a team of twelve Administrators, two Secretaries, an Assistant Practice Manager and a Practice Manager the bulk of whom we accommodate in working less than full-time hours as part of our ethos of attaining a better work/life balance. This post attracts a Golden Hello payment for eligible doctors. Free parking is available on site. We are ably supported by the following staff: a Pharmacist, including access to pharmacy support staff via the local Hub, Phlebotomist, Physiotherapist, Community Wellbeing Nurse and a Community Link Worker all of whom function primarily via EMIS and Docman. The practice regularly utilises the local NHS GGC Treatment Rooms service.

We aim to offer an inclusive, supportive and welcoming environment to all who work at or otherwise attend the practice.

We would be delighted to provide you with further information about this role and/or arrange a visit for you to meet with our team.
