

GPS Soil Sampler & Sprayer Operator – George Duncan

[Apply Now](#)

Company: Agrii

Location: United Kingdom

Category: construction-and-extraction

George Duncan Agri Solutions are looking to employ a **GPS Soil Sampler & Sprayer Operator**. You will be comfortable working independently and as part of a close knit team to deliver excellent customer service for our growers. You will be required to operate a range of machinery and tools, and therefore initiative, attention to detail, and the ability to operate within guidelines is a must.

Qualification and Skills

Good Interpersonal & Communication Skills

Strong Work Ethic

Excellent Customer Service

PA1 & PA2 Spray Operator Certificates Required

ATV Lantra Certificate Holder (Training can be provided)

Experience of Operating GPS Equipment Preferred (training can be provided)

Good Time Management

Sound Understanding of Machinery Maintenance

A competitive salary and benefits package will be available to the successful candidate.

If you're friendly, love helping people and like the idea of learning to use new tools and technology on the job – then we encourage you to get in touch.

Applicants should please send CV and covering letter (in strict confidence)

to: Charlie
