Offering full and part time hours and flexible shift patterns - NHS Lothian is a fantastic organisation and a great place to work!

Spotlight on East Lothian Substance Use Service

East Lothian Substance Use Service supports individuals with problematic substance use, using a variety of medical and psychosocial interventions. The postholder will manage their own caseload of individuals and be involved in delivering interventions, including alcohol detoxification, Buprenorphine administration, harm reduction interventions and Tier 1 psychosocial interventions.

Hours are 9-5 Mon-Fri

Easily accessible by public transport/onsite parking

NHS Scotland is reducing their full-time working week from 37.5 to 37 hours per week from 1 April 2024 but with no change in pay. This reduction will also be applied pro rata for part time staff. This advert therefore reflects the new working hours. However, as not all service areas will be able to adopt the 37 hour working week immediately from 1 April 2024, you may be required to work up to an additional 30 minutes per week for a temporary period for which you would be paid until the service you are working in changes rosters or working patterns to accommodate the new reduced working week. If you have any questions or concerns, please contact the Hiring Manager.

In addition, we have a wide variety of exciting opportunities within the Community, Community hospitals, Acute hospitals, Outpatients and Prisons. We offer a variety of different shift patterns, excellent opportunities for career development and you will have the chance to be part of one of our many fantastic teams.

For more information on the vacancies available, please see the attached flyers below.

When completing the online application form please note if you have an area of preference.

We will endeavor to place successful candidates in their area of preference if possible.

If you are currently working within NHS Lothian in a substantive band 5 Staff Nurse post, and wish to transfer to another area at the same grade, an option that is available to you is the internal transfer process. Please speak to your Charge Nurse for more information.

Please note that we anticipate that the interviews for this advert will take place on Thursday 23rd May 2024 at the Comely Bank Centre in Edinburgh.
