Graduate Education Psychologist Teaching Assistant

Have you recently graduated with a 2:1 or better from and have an interest working within Special Educational Needs?

Do you have an aspiration in becoming an Education Psychologist within a school-based setting?

Would an Outstanding Secondary school with a highly experienced SENCO be the supportive experience you require?

This Enfield based school are looking for a compassionate Education Psychologist Assistant to shadow their Education Psychologist and join their dynamic SEN team!

Education Psychologist Assistant

Fixed term contract, full time starting ASAP

Secondary school located in Westminster, London

Opportunity to work several children with SEN

Earn up to £550 per week

Role is perfect for an Aspiring Education Psychologist

Work alongside experienced SENCO

The Education Psychologist Assistant position involves working alongside children to

ensure that they are continually learning and achieving their academic best. This role can be challenging; however, it is ultimately one of the most rewarding Teaching Assistant positions within the School. It will offer incredible experience for the right Graduate Teaching Assistant and they will be fully supported by other staff throughout the year.

The right Education Psychologist Assistant Graduate will be sensible, confident and friendly in order to ensure that they gel well with the pupils. A Graduate Education Psychologist Assistant will have to use their own initiative to encourage the SEN Child to learn, whilst considering their safety and well-being. The Graduate Teaching Assistant will have to be dedicated and focused and really have a spark for working with SEN children not only in this role, but perhaps the future.

With such a specific Graduate Teaching Assistant in mind the Head Teacher is looking to recruit a bright, resilient and ambitious person to work alongside their current fantastic teaching staff. This nurturing secondary school found in Ealing, West London is easily accessible by car and public transport. It is well-known for its progressive approach to teaching, engaging the latest techniques and resources to aid students' learning.

This Education Psychologist Teaching Assistant position is an exceptional opportunity to advance your career and make a difference to a great community in central London.

Send your CV over to Ryan KPI Education and join this great school.
