

Graduate Finance Analyst

[Apply Now](#)

Company: Gleeson Recruitment Group

Location: Solihull

Category: other-general

We're seeking a talented Graduate Finance Analyst to join a FTSE listed high-performing organisation based at Birmingham business park paying £26,000 per annum + full study support.

The Opportunity

This is your chance to launch your career in a dynamic and impactful role. You'll play a vital role in supporting the Group FP&A function, taking ownership of crucial reports and contributing to efficient financial processes.

Key Responsibilities

Own and deliver key weekly FP&A reports, including exchange rates, cash flow, and sales/orders.

Assist with month-end reporting, incorporating economic data, lean metrics, and ESG dashboards.

Support colleagues using the group financial consolidation system.

Champion efficiency by driving improvements through Power BI and data validation.

Contribute to various ad-hoc projects within the team. Ideally you will have

A strong academic background, particularly in mathematics.

Degree in Accountancy & Finance or similar

The ability to thrive in a fast-paced environment and deliver accurate work on deadlines.

Excellent organisational skills to manage multiple priorities effectively.

Strong IT skills, with an intermediate to advanced understanding of Excel (a major plus!).

A commitment to pursuing/completing the ACCA qualification (mandatory).

To apply for the Graduate Finance Analyst role please click on the apply now button and your CV will be sent directly to the responsible recruiter. We will respond to successful applicants within 7 days, however please feel free to get in touch if you would like any further information about your application.

At Gleeson Recruitment Group, we embrace inclusivity and welcome applicants of all backgrounds, experiences, and abilities. We are proud to be a disability confident employer.

By applying you will be registered as a candidate with Gleeson Recruitment Limited. Our Privacy Policy is available on our website and explains how we will use your data.
