

## Graduate Geophysicist

[Apply Now](#)

Company: DUG

Location: United Kingdom

Category: other-general

Are you an aspiring geophysicist ready to kick-start your career? Would you like to be an integral part of our world-leading processing and imaging team?

If yes, then DUG could be the right place for you!

We're located in the heart of Victoria, London. Step into a vibrant atmosphere where every day promises fresh challenges and opportunities for learning—there'll never be a dull moment here! Gain access to our advanced software suite and our very own cloud computing platform, DUG HPC Cloud.

You will start on an internship basis, but we welcome you to dive right in—as any valued team member would—and immerse yourself in the world of geophysics. We provide a dynamic, fast-paced and truly global environment that paves the way for potential long-term career opportunities with us post-internship.

You'll be part of Team DUG, working closely with our passionate geoscientists and our clients to learn about seismic processing, depth imaging and our industry leading MPFWI, growing into a competent Geophysicist.

At DUG, it's not always about work. We prioritise the wellbeing of our team. Here's a snapshot of what you'll enjoy:

Competitive industry remuneration, with eligibility for profit share distribution upon company discretion

25 days annual leave

Company-contributed pension plan (non-obligatory employee contribution)

BUPA health and dental care plan (individual and family)

Cost reimbursement for commuting to work

Flexible hybrid working model

Active social calendar

Our doors are open for dynamic individuals with qualifications in BSc/Masters or PhD in Geophysics, Geoscience, Physics, Maths, Electrical Engineering with a Physics background, or equivalent.

Ready to embark on your geophysics journey with us? Apply now!

#### **DISCLAIMER**

The offer is subjected to pre-employment screenings that may include, but are not limited to:

Verification of your right to work in the respective location

Provision of applicable and relevant qualifications

Nationally approved criminal history check
