## **Graduate - Technology Consulting Consultant - March**

Microsoft, SAP, some experience, consultant United Kingdom share on

At Delaware, we want to make our customer's businesses better and help them to reach their full potential. Our consultants form partnerships and build strong relationships with our customers, which enables them to understand the problems they're having and deliver a solution to solve those problems (using SAP or Microsoft software).

A Delaware Consultant has 1. an analytical mind and enjoys taking a deep dive into logistics and operational business processes 2. advanced problem-solving skills enabling them to guide customers through an IT implementation 3. passion, drive and perseverance; 4. awesome team mates.

**About delaware**

**We exist to help our clients reach their full potential, by applying our common sense, business experience and passion for technology.**

Delaware is a global consultancy that partners with leading technology providers such as SAP (Platinum Partner) and Microsoft to deliver advanced digital solutions. We develop, innovate and implement technology transformations guiding our clients towards an intelligent future. Everyone at Delaware is a steward of the business. We are building for the future and for those that succeed us and we take responsibility for our relationship with the social and ecological environment.
