## **Graduate - Technology Consulting Consultant - September**

Microsoft, SAP, some experience, consultant United Kingdom share on

At Delaware, we want to make our customer's businesses better and help them to reach their full potential. Our consultants form partnerships and build strong relationships with our customers, which enables them to understand the problems they're having and deliver a solution to solve those problems (using SAP or Microsoft software).

A Delaware Consultant has 1. an analytical mind and enjoys taking a deep dive into logistics and operational business processes 2. advanced problem-solving skills enabling them to guide customers through an IT implementation 3. passion, drive and perseverance; 4. awesome team mates.
