Graduate Town Planner

North West England

Our client is a well-established planning company that are looking for Graduate Planners to join their team in the North West. Are you looking to kickstart your town planning career?

Do you have a Town Planning degree? Our Client wants to hear from **you!**

As a Graduate Town Planner your duties will include undertaking site visits, submitting applications, and preparing planning applications. You'll also work alongside senior planners on varied projects.

Ideally as a Graduate Town Planner, you'll have an RTPI accredited Town Planning degree or related along with excellent written communication skills. You'll also be able to work well in a team and have a full UK drivers licence.
