Company: Right Customer

Location: United Kingdom

Category: other-general

We are seeking a creative and talented Graphic Designer to join our team. As a Graphic Designer at Right customer, you will play a crucial role in bringing our brand to life through visually compelling and effective design solutions. You will work on a wide range of projects, from marketing materials to digital assets, contributing to the overall success of our brand and projects.

Key Responsibilities:

- 1 . **Design Creation:** Conceptualize and create visually stunning graphics and design elements for various marketing materials, including brochures, posters, social media graphics, website assets, and more.
- 2 . **Branding:** Ensure consistency in brand identity and adhere to brand guidelines in all design work, helping to reinforce our company's visual identity.
- 3 . **Collaboration:** Collaborate with cross-functional teams, including marketing, content, and web development, to understand project requirements and deliver design solutions that meet objectives.
- 4 . **Digital Design:** Create engaging digital assets, such as website banners, email templates, and social media visuals, to enhance our online presence and user experience.
- 5 . **Print Design:** Design print materials, such as flyers, banners, and promotional materials,

with an eye for detail and the ability to prepare files for print production.

- 6 . Image Editing: Edit and retouch images as needed for various projects, ensuring high-quality and visually appealing content.
- 7 . Feedback Integration: Actively seek feedback and iterate on designs to continuously improve the quality of visual assets.
- 8 . Trend Awareness: Stay updated on design trends, tools, and best practices, and apply this knowledge to your work.
