Job Details

Your new company

A major international insurance business offers an interesting one-off opportunity and hybrid working (1 day a week in the office and flexible locations) to a qualified Audit professional with a strong technical audit understanding and experience of developing and implementing internal audit methodologies and practices. (Ideally within the Insurance industry)

Your new role

Working with senior internal audit leaders, you will assess, define and evolve audit practices for planning & audit methodologies, and working practices, to become more outcome focused. Working with internal and external SMEs, you will ensure these practices are set up to be more agile and flexible to be able to accommodate a changing market.

You will support a culture of continuous improvement by identifying and implementing opportunities to enhance audit quality and efficiency.

You will develop and deliver training globally, on updated practices.

You will analyse and report on stakeholder feedback themes, trends and insights as well as

the results of quality assurance activities to enable continuous improvements across global teams.

You will develop and support the evolution of the reporting approach and build further capabilities around report writing.

For a full job description, please get in touch.

What you'll need to succeed

You will be a qualified accountant/auditor (CPA, ACA, ACCA, CIA etc) with a strong technical audit understanding and experience of developing and implementing internal audit methodologies and practices.

You will have significant experience of working in an internal audit function, and in a fast-paced environment.

Excellent communication and interpersonal skills, with the ability to build and maintain effective relationships with key stakeholders.

Excellent influencing skills, including the ability to convey the benefits of changes and train new approaches.

Knowledge of regulatory requirements and standards related to internal audit.

What you'll get in return

Excellent base salary, dependent on experience

Hybrid working 1 day a week in office (across a number of South East locations)

Car allowance and bonus scheme and a wide range of other benefits
