Company: Group Support Services

Location: United Kingdom

Category: computer-and-mathematical

At Places for People, we hire People, not numbers! So, if you like the sound of one of our jobs, please apply - you could be just who we're looking for! Of course, experience and track record are important, but we're more interested in hiring someone that embodies our People Promises. That's someone that does the right thing, is enthusiastic and motivated to grow, believes in Community spirit, is respectful and enjoys their work. As the UK's leading Social Enterprise, we don't discriminate based on any protected attribute. In fact, we're dedicated to creating inclusive and thriving Communities for both our Customers and Employees.

So, what are you waiting for? Join a Community that cares about you!

More about your role

As our Group Partner Integration Manager you will be responsible for delivering and shaping the Group's strategy for the onboarding and integration of Housing Association mergers, as well as Group-level Partnerships and Contract Management. You will prepare for and manage the operational and technical onboarding of merging Housing Associations, and ensuring smooth integration over the long-term.

To ensure success, you will be engaging with key stakeholders across PfP and ensuring the partners are engaged, consulted and contributing to onboarding, demonstrating across-matrix collaboration and buy-in to make the mergers a success for our Customers, Communities and our business.

For more information, please download our job profile available on our website.

More about you

You will have prior experience of managing complex, cross-functional, senior stakeholders and operational contracts and delivery within a matrix organisation. You will have direct experience of managing and improving complex processes and partnerships throughout the entire lifecycle, ideally with in-depth knowledge and experience of the end-to-end Affordable Housing process, systems and Customer journey.

You will also have experience working in a regulated environment but most importantly you will have the proven ability to collaborate and operate with gravitas up to Executive-level, leading by example to influence and deliver target outcomes, doing whatever it takes.

Benefits

We are a large, diverse and ambitious People-first and Customer-centred business focusing on maximising Social Value, which will give you all the challenge and fulfilment you could wish for.

We know that there's always more we can do to make you smile, that's why we offer a comprehensive benefits package with each role, yours will include:

Competitive salary, with a salary review yearly

Pension with matched contributions up to 7%

Excellent holiday package – 35 days annual leave with the option to buy or sell leave

Cashback plan for healthcare costs – up to £500 saving per year

A bonus scheme for all colleagues

Company car, where required

Training and leadership development

Extra perks including huge discounts and offers from shops, cinemas and much more.
