Gujarati Market Researcher - Part time

Apply Now

Company: Euro London Appointments Location: United Kingdom Category: business-and-financial-operations

I am seeking a part time market researcher who is fluent in Gujarati to join a leading market research company. In this role, you will be responsible for conducting market research studies, analyzing data, and preparing reports in Gujarati. Requirements:

Fluent in Gujarati and English

Strong communication and analytical skills

Previous experience in market research preferred

Attention to detail and ability to work independently

If you are passionate about market research and have a strong understanding of the Gujarati-speaking market, we want to hear from you. Please submit your resume and cover letter detailing your relevant experience.
