[Apply Now](#)

Company: Mediplacements

Location: United Kingdom

Category: architecture-and-engineering

Mediplacements is currently looking to recruit an experienced band 6 Biomedical Scientist in Haematology for a locum vacancy in Norfolk.

The pay for this position ranges from £23-£25 per hour. We are looking for someone to start as soon as possible working full-time.

Working Pattern Initially day shifts 9-5 then night shifts x3 per week

Shift Pattern Nights 2100 - 0800

Sysmex XN

Cell Counter

Sysmex 2500 - Coagulation

Diamed Gel Station - BT

South Coast England

ASAP start

Ongoing

Haematology BMS

The candidate will be responsible for:

- Performing and interpreting a range of laboratory tests on blood and other body fluid
- Maintaining and troubleshooting laboratory equipment

- Record keeping and quality control
- Providing results and advice to medical staff
- Participating in continuing education and training

The ideal candidate will be HCPC registered and fully competent in Haematology, Coagulation and Blood Transfusion, and will be able to work effectively as part of a team as well as independently.

When you work with Mediplacements, you will have access to a range of benefits that will support you in your role. Our dedicated one-to-one service ensures that you have the support you need to thrive in your role. Our fast-track registration process allows you to start your new role as soon as possible. The excellent rates of pay, and assistance with travel and accommodation are designed to make your transition as smooth as possible. We also offer weekly pay that is always on time, and access to exclusive NHS and private sector jobs. There is no registration fee, and you will have access to free online training.

If you are not available for this position, we encourage you to refer a friend and take advantage of our £250 referral bonus. T&C's apply.
