Company: AGM Construction Recruitment

Location: United Kingdom

Category: other-general

A handyman/woman with proven expertise and knowledge in PLASTERING with a minimum of 2 years experience and proven track record. The successful candidate will also have a well rounded knowledge and experience in other trades and general first fix and maintenance roles.

While the vacancy is for a handyman/ PLASTERER the successful candidate must have a get stuck in and get the job done attitude as the role at times can feel more like that of a multi skilled technician, therefore a basic understanding of other trades would be a benefit but more importantly the mindset to complete the job as a team and move to the next. The work is all refurb on residential property.

Does this sound like you?

This role would be ideal for someone who may have had their own business or been a contractor chasing the big money and no longer wants to travel ,constantly need to find their next job,worrying about gaps in employment.
