

## Head of Engineering / Tech Lead

[Apply Now](#)

Company: Space Executive

Location: United Kingdom

Category: other-general

### Job Description

#### HEAD OF ENGINEERING (PHP) | PUBLISHING | HYBRID (LONDON)

Space Exec are looking to recruit a Permanent Head of Engineering/Tech Lead for a well-esteemed forward-thinking Publishing organisation who have undergone a 'digital-first' transformation.

**Salary** Up to £100K - £110K (+ discretionary bonus)

**Location:** Hybrid London (on-site 3 days a week in Westminster)

#### Required skills include:

- Experience building internal technical functions whilst still being hands on technically
- Experienced with PHP and WordPress is beneficial - If you come from a different technical background but have an interest in PHP, that is fine
- Experience with languages and tools such as AWS, Node, Python, JavaScript
- The ability to engage with external and internal stakeholders and 3rd party vendors

- Sector experience in either: Publishing / Media / Subscriptions

**Duties:**

- Develop and implement enterprise-level WordPress VIP sites using PHP and Gutenberg blocks in React.js
- Lead the technical vision and delivery on website development, and develop the website product vision
- Manage and build integrations with various web tools and subscription services, collaborating with third-party vendors

If this is of interest, please apply to the advert below, or email your CV to: [spatel@space-exec.com](mailto:spatel@space-exec.com)
