Head of Land Referencing

About Our Client

Our client is a well-respected national firm providing services to all aspects of the wider property economy. Their major projects division is dedicated to their work with significant players in the infrastructure sector covering the whole of the UK and various sub-sectors of the industry. The majority of their work is focused on the road, rail, water, electricity and energy sectors.

The Ideal Candidate

You'll be an experienced Land Referencing professional, with a number of years' experience in a comparable role delivering projects on behalf of clients. You'll have a thorough understanding of DCO and CPO procedures and a good understanding of the necessary IT and GIS systems. Team Management experience is essential, as well as a high level of attention to detail and diligence.

In return for your expertise and dedication, our client is offering a competitive salary (DOE) and benefits package, professional growth and development opportunities, all in a supportive and collaborative work environment.

About the Job

Our client is looking for an exceptional candidate to develop and head up their Land Referencing offering within their Major Projects team. This is a fantastic opportunity for someone to step into a growth role and create an environment with real collaboration and autonomy.

Head up the Land Referencing service

Resource and team management

Delivery management including day to day management of land referencers and administrators

Utilisation and co-ordination with our clients industry leading GIS database teams

Production of Books of Reference / Schedule of Interests

Reporting on financial performance

Accurate estimation of time and cost and delivery within agreed KPIs

Engagement, liaison and reporting to wider project team

Recruitment and training of delivery teams

This role can be based from Leeds, Glasgow, Edinburgh, Bristol or Manchester. Some travel may be required.
