## Head of Production - Retail

[Apply Now](#)

Company: ACIERTA

Location: London Area

Category: sales-and-related

Acierta is a design & production house with offices in UK and Spain, operating throughout the globe. Founded in 2005, we are a team of experienced specialists in creativity, production, logistics and installation in any kind of Retail, Events and Hospitality projects. Looking for a talented, creative, resourceful and open minded person to join our growing London office based in East London. Exciting career prospect as a result of a fast growing business. The ideal candidate will be a strong team player with technical and production development experience in the design retail industry with excellent organisational skills. Capable of managing different projects at the same time in a fast pace environment. Managing from large scale WW productions to one-off bespoke installations. The candidate will work closely with teams in London and Valencia, technically developing and managing a wide range of projects: Permanent stores, Pop-ups and showrooms, Windows, Interior design and furniture design. Languages: English and Spanish are mandatory. Software skills: Autocad / Solidworks / Sketchup / Rhinoceros. At least 2 are mandatory. Key Responsibilities: • Analyse and comprehend technical and design briefings. • In charge of the technical development and production of projects. • Coordinate supplier production. Internal / External. • Establish project objectives, schedule, and monitor project deliverables. • Keep relevant stakeholders or team members informed about the project's progress. • Ability to travel for work meetings or installations (EU and UK). Qualifications: • Bachelor's degree in a relevant field (e.g., engineering, industrial design, product design, architecture). • Experience in technical development, production, and installation. • Software skills: Autocad, Solidworks, Sketchup, Rhinoceros. • Excellent communication and organisation skills • Excellent problem-

solving skills and crisis management. • Strong attention to detail and design flaw spotting. • Ability to work independently and as part of a team. • Ability to manage multiple projects simultaneously and work under pressure. This is a full-time position with competitive compensation and benefits. If you are a proactive, detail-oriented individual with experience in project coordination, technical design, and production, and willing to conduct site visits and surveys as required, we encourage you to apply. Experience: 3+ years of experience in a relevant position. Contact: Interested please send CV and Portfolio to [jobs@aciertaretail.com](mailto:jobs@aciertaretail.com)
