Head of Quality & RPI – United Kingdom – Competitive Package I am currently supporting a supply chain and logistics client on a retained search for a Head of Quality & RPI to join the team. If you are an experienced professional within the QA industry and have a strong understanding of GDP regulations, I'd love to hear from you! This role will offer you: The opportunity to work within a collaborative environment. You will be part of a supportive team where your contributions to quality will be valued and recognised. Growth opportunities. As the Head of Quality & RPI you will have the opportunity to expand your skillset and grow professionally while working with experienced industry professionals. Autonomy of the quality set up and department, utilising your leadership experience to grow and develop your department. You will be responsible for: Responsible Person (RP) and Responsible Person for Import (RPI). Leading a group of QA professionals, supporting with growth and development opportunities within your own team. Leading regulatory inspections. You will bring the following: Must be and eligible RPI. leadership experience, having directly line managed teams within industry. Well versed in GDP regulations and requirements. If this role is for you or someone that you know then please get in touch by reaching out to me on: Email: dixie.rowley@biotalent.com / Mobile: 03333076496 I look forward to hearing from you!
