+++++ Head of Risk Governance and Enterprise-Wide Framework ++++++ London – Hybrid 3:2 +++++ +++++ -k plus BB +++++I am currently working with a Growing Capital Markets Business who are looking for a Hands On, Dynamic, Operational / Enterprise Risk SME to join their Growing Risk department as the Head of Risk Governance. This is a newly created role, in response to significant growth at our client. The role holder will work across the breadth of Group Risk globally. You will be responsible for leading on the Department's strategic work across the Firm to prioritise Risk policy and associated governance initiatives. You must have prior experience of designing, building, and implementing Governance Frameworks. Presentation, Communication and Documentation is a must. You will be proactive and forward in thinking. Be driven and can provide significant value in delivery in the role. This work will require extensive engagement with Risk senior leadership, wider Departments as well as, external stakeholders. Sounds amazing right?! To find out more please apply
