Company: Vertical Advantage

Location: London Area

Category: other-general

Exciting Opportunity: Head of Supply Planning in Hertfordshire! We're excited to collaborate with a respected FMCG enterprise located in Hertfordshire who are going through a huge transformation. As the Head of Supply Planning, you will spearhead the supply planning function across 8 nationwide sites, enjoying full autonomy and strategic responsibility. Key Responsibilities: Oversee all monthly production planning cycles and enhance the planning system. Collaborate cross-functionally with the demand planning team to preempt and address any potential issues. Lead site planning reviews to evaluate service, cost, and inventory levels, presenting findings to senior leadership. Drive best practices in production planning and material procurement. Define the strategic direction for supply planning and enhance analytics capabilities. Preferred Candidate Profile: Strong educational background or equivalent professional experience. Demonstrated ability to lead and manage large teams with a commercial mindset. Excellent communication skills, adept at presenting to senior stakeholders. Prior experience in a senior Supply Planning role from a FMCG background. Proficiency in process improvement and project delivery within deadlines and budget constraints. Familiar with S&OP and IBP. This role offers a hybrid work arrangement, splitting time between the head office or site (2 days per week) and remote work (3 days per week). Join our dynamic team in a fast-paced environment where your contributions are valued, and collaborative opportunities abound! Unfortunately, sponsorship is not available for this position. Apply now for further details on this exciting opportunity!
