Health and Safety Advisor

Fantastic career opportunity

Perivale

Salary £50-55k

Our client is one of London & Home Counties leading Groundworks and Reinforced Concrete Frame Sub-contractors who delivers landmark projects for prestige customers are looking for a Health and Safety Advisor to join a busy and expanding business. As a HSEQ Advisor you will be involved in Groundworks, RC Frames, Rail and Aviation schemes.

### Role Description

This is a full-time on-site role as a Health Safety Environment Advisor. The Health Safety Environment Advisor will be responsible for overseeing and implementing health and safety policies, conducting risk assessments and audits, providing advice and guidance on occupational health, and ensuring compliance with regulatory standards. The role will involve working closely with project teams and stakeholders to promote a culture of health and safety within the organization.

## Qualifications

- \* Health & Safety and Environment Health and Safety (EHS) knowledge and experience
- \* Occupational Health expertise
- \* NEBOSH certification
- \* Auditing skills
- \* Strong attention to detail and analytical abilities
- \* Excellent communication and interpersonal skills
- \* Ability to work effectively in a team and independently
- \* Experience in the construction industry is preferred

Our client has a very settled working environment and has a healthy pipeline of new projects for the future.

Should this exciting role be of interest to you, kindly submit your CV to Anna Maguire.

Whilst we will endeavour to contact you following your response, occasionally due to the high volume of applications this cannot always be possible and we are only able to contact shortlisted candidates. We will keep your details on file and may contact you with future opportunities.
