Health, Safety and Environment Advisor

London | £45,000 + Company Vehicle and Benefits

Irwin & Colton have been engaged by a specialist civil engineering contractor to recruit a Health, Safety and Environment Advisor. This role will work alongside the existing Health and Safety team on a range of RC frame and groundworks sites across London. This is an excellent opportunity for an ambitious Health and Safety professional who is looking to develop their career.

Responsibilities of the Health, Safety and Environment Advisor will include:

Engaging across the sites, implementing health and safety policies and procedures, and ensuring compliance with health and safety legislation

Conducting training, toolbox talks, inductions and investigating incidents where required

Reviewing the production of risk assessments and method statements and answering any health and safety related queries

Undertaking audits and inspections of the site, identifying areas for improvement and reporting on the findings The successful Health, Safety and Environment Advisor will have:

Proven experience in a similar role ideally from within construction, civil engineering or a related industry

Hold NEBOSH general certificate and ideally membership of IOSH

Excellent communications skills with the ability to tailor a message and communicate to a range of stakeholders

Drive and enthusiasm with the willingness to learn, develop and grow in the role For further information or to discuss your career, contact Luke O'Driscoll on or (phone number removed).

Irwin and Colton are a specialist Health and Safety recruitment company based in the Southeast of England recruiting across the UK. We recruit all roles in the health and safety industry from Health and Safety Manager, Health and safety Director through to Health and Safety Advisor positions.

Irwin and Colton Limited acts as an employment agency for permanent recruitment and employment business for the supply of temporary workers. By applying for this job, you accept the T&C's, Privacy Policy and Disclaimers which can be found at our website (url removed)
