Flexible Working

Mileage allowance of 45p per mile

Paid for whole training and travelling in between patient

Plus Enhancements 41% x your basic salary per hour paid for Saturdays & weekday night duty (8pm to 6am) 83% x your basic salary per hour paid for Sundays and Public Bank Holidays

**What we are looking for:**

The ideal candidate will have an NVQ Level 2 in Health and Social Care or have demonstrable experience in End-of-Life Care

Current valid driving licence allowing you to drive in the UK and the use of a car insured for business use is essential.

Relevant experience in Palliative Care is desirable

Emotional strength and the ability to work on your own are both crucial, though we will of course provide excellent on-going training and support

Due to the nature of the role the ability to work nights is essential

Access to a computer and the internet is required in order to meet mandatory training requirements

With experience of End of Life care, you're ready and able to make a real difference. Ours is a one-to-one approach to care, so you're sure to enjoy plenty of meaningful contact with patients and their families - usually in their own homes. You'll be required to carry out a range of duties including helping patients meet their hygiene needs, monitoring symptoms, assisting with medications and keeping detailed records. A good basic understanding on symptom control is essential.
