Healthcare Assistant - Outpatient

Nuffield Health at St Bartholomew's Hospital | Outpatients | Bank Contract | Part time | Includes weekend work

Up to £15.00 per hour

Working on the bank means you are not contracted to a set number of hours per week but instead work on an ad-hoc basis to suit the needs of the business and your availability.

Nuffield Health is the UK's largest Healthcare Charity. We're passionate about putting patients first.

We have an exciting opportunity for Healthcare Assistants to join our brand-new team in London. You will be responsible to support the delivery of quality care in line with the Nuffield way of caring, to meet patient's health and wellbeing needs. We will expect you to actively engage in team building and assist in support individuals and teams to deliver high quality, clinically effective patient care through assessment, planning, implementation and evaluation. Along the way, you'll build strong relationships with consultants, hospital senior leaders, a wide range of healthcare professionals and, of course, patients.

We are looking for motivated and compassionate candidates to deliver patient-centred evidence-based care under the supervision of a registered Nurse. You will need to be reliable and enthusiastic, preferably with recent outpatient experience or experience in a caring background. Offering bank positions, applicants will be willing to work flexibly across different shift patterns covering outpatient opening hours. We need caring individuals who respect their patients and colleagues, you must be able to communicate at all levels and be a strong patient advocate.

Helping you feel good.

We want you to

love coming to work, feeling healthy, happy and valued. That's why we've developed a benefits package with you in mind. This includes holiday in line with the working time directive, access to our pension scheme and discounted gym membership at £15.00 a month.

Nuffield Health at St Bartholomew's Hospital.

The City of London's only independent hospital, situated next to St Bartholomew's NHS hospital. This is our flagship centre for cardiac services and will also provide a full range of surgical and medical services, including: orthopaedics, oncology, general surgery, gynaecology and urology services.

The new hospital consists of:

- 48 inpatient and day case bedrooms
- 28 consultation rooms
- Three digital operating theatres
- Cardiac catheterisation lab
- Specialist intensive care beds
- Oncology day unit
- Endoscopy and minor ops theatre
- Full diagnostic imaging suite including MRI, CT, ultrasound, mammography and general X-ray

Join Nuffield Health and create the future you want, today.

If you like what you see, why not start your application now? We consider applications as we receive them and reserve the right to close adverts early (for example, where we have received an unprecedented high volume of applications). So, it's a good idea to apply right away to ensure you're considered for this role.

It starts with you.
