Location: Reading Oracle Centre

To be successful in this role, you will:

Already possess or be eligible for registration as a Hearing Aid Dispenser with the Health and Care Professions Council (HCPC).

Be passionate about embracing innovation in products, technology and ways of working.

Put care for your customers and colleagues at the forefront of everything you do by providing exceptional customer service and taking accountability for yourself and your clinic.

Strive for excellence by continuously working to improve your own skills, knowledge and ways of working.

Demonstrate a genuine desire to be part of the best team and support those around you to achieve the same goal.

Have a proven commercial record of hitting or exceeding targets, developing store revenues and achieving goals.

Be comfortable sharing knowledge and proactively building relationships with your healthcare colleagues in Pharmacy and Opticians.

Be flexible and willing to run clinics when the demands of the store require. This may include weekends or days that are not part of your current deployment.

We're looking for expert clinical and professional standards and the ability to manage and grow the audiology service in store.

This is an exciting full-time vacancy in one of our most successful stores. It is a fantastic opportunity to shine in a leading national hearing healthcare provider.

Due to the nature of the business, successful applicants will be subject to a satisfactory DBS Check
