

## Heating Engineer - Installations

[Apply Now](#)

Company: Bromford

Location: United Kingdom

Category: architecture-and-engineering

**The vacancy**  
  
If you are an experienced Gas Heating Engineer who wants to join an organisation that is certified as a **Great Place to Work** and, who provides and maintains safe, secure and warm places that people are proud to call home - you belong at Bromford.  
  
**In return you can expect the following:**  

- Monthly pay
- Out of hours allowance per on-call week
- Bonus added to your out of hour allowance for meeting first time fix targets
- Electric Van, if preferred (depending on availability)
- 27 days holiday **plus** statutory bank holidays
- A choice out of 2 pension schemes
- £500 personal allowance to spend on your choice of things like private medical cover, critical health insurance, dental treatment and gym membership, for example
- Retail discount schemes to save on things like food shops, clothing, technology etc

  
In this role will be carrying out mainly installations and, when required, service & repair duties. This will involve Landlord's Gas Safety Checks, the installation, repair and maintenance of a wide variety of gas central heating boilers and associated heating systems. Although you will be predominantly working on natural gas appliances, qualifications in LPG, OIL or Air source heating would be beneficial (training can be provided). The role will cover Lichfield and surrounding areas.  
  
**The ideal candidate will hold the following:**  

- CCN1: ACS Gas Safe - Core Gas Safety Certificate or Equivalent
- CENWAT: Domestic Gas Fired Central Heating / Hot Water Boiler & Circulators, 70KW and Instantaneous Water Heating Appliances
- CKR1: ACS Gas Safe - Cookers and Hobs
- HTR1: ACS Gas Safe - Gas Fires

<li>Unvented Systems, advantageous but not essential</li> <li>OFTEC and Air Source/  
Ground Source, would be beneficial. If not held, be prepared to train to obtain  
qualifications</li> <li>Full, clean driving licence. </li></ul><br>You will be provided with  
the associated battery powered tools to complete your tasks and be provided with a Calibrated  
Flue Gas Analyser. You'll need to have a full, clean driving licence, willing to work 40 hours  
per week and be prepared to join an on-call rota.<br><ul></ul><br>Due to the nature of the  
role, a DBS check will be completed for the successful applicant.<br><br><strong>The  
closing date for applications is Wednesday 8 May 2024. </strong><br><br><strong>Depending  
on application volume, this advert may close earlier than advertised, therefore an early  
application is encouraged.</strong><br><br><strong>About us</strong><br><br>We are a  
housing association- one that owns and provides 46,000 homes for people who can't access  
market housing; has individual relationships with more than 110,000 customers; has a  
strong balance sheet and plans to build 11,000 homes by 2030. all of this is only possible  
because of our 1,800 dedicated colleagues.<br><br>We take a simple view that nothing is  
more important to any individual or a family than their home. It's a matter of social justice that  
everyone should have a home that is safe, secure, and affordable. We exist to provide such  
homes. With the right home, people can achieve great things, not only for themselves but for  
wider society too.<br><br>We provide quality, affordable homes. But we care about the  
people who live in them too. We want each of them to be able to achieve their goals. This will be  
different for each customer. Put simply, we want people to thrive.<br><br><strong>Diversity  
Statement</strong><br><br>We are committed to providing a culture where our  
customers, our colleagues and our partners feel valued for being unique. We empower  
individuals to reach their full potential within an open, fair and supportive environment. In  
return we expect everyone to be respectful, collaborate effectively and embrace diversity. By  
listening, learning and acting we aim to constantly evolve our ambitions for equality,  
diversity and inclusion to ensure we can always achieve our purpose.<br><br>  
<strong>Great Place To Work Certified</strong><br><br>Bromford have been certified as a  
Great Place To Work (Nov 22 - Nov 23). The 2022 Great Place to Work Trust Index Survey  
highlighted that our employees believe we have an amazing company culture and that 89% of  
our employees were made to feel welcome when they joined us. We are also proud to  
have been named on 'UK's Best Workplaces for Wellbeing' list, proving that colleague health and  
wellbeing remains a top priority and that our people are truly at the heart of everything  
we do.
