- Prepare specifications for repairs
- Contract administration
- Provide advice to clients relating to building material condition and performance
- Attend meetings with clients and their consultants and assist in giving appraisals of building material condition and building material performance
- Undertake personal training and development, as agreed with your Line Manager
- Financial accountability through effective management of time and resources.
- Prepare fee proposals and contribute to bids
- Attend external training courses to expand your own knowledge and skills
- Developing and using new technologies to aid in surveys.

Required Skills & Experience

- MRICS, MCIQB or IHBC is essential
- 3+ years in building surveying post-graduation
- Heritage/conservation project experience is essential
- Contract administration experience
- Direct experience of complex repair and refurbishment projects

- In-depth knowledge of building decay processes and repair techniques
- Ability to travel across the South of England and occasionally Wales
- UK Driving Licence is essential.

What you get back

- Salary of £45,000 - £60,000
- 25 days annual leave, increasing up to 30 days with service
- Hybrid Working (Typically 3 days office/site and 2 days remote working)
- Life assurance
- Cycle to work scheme
- Season ticket loan
- Eye care vouchers
- Optional healthcare cashback
- Enhanced maternity and paternity pay.
