Company: Attega Group Ltd

Location: Bedford

Category: construction-and-extraction

Role: HGV Tanker Drainage Engineer

Salary: PAYE - Up to £42000 p/a plus overtime, on call bonuses (OTE of £60,000 per annum).

Location: Bedford

Hours: Monday to Friday, 50 hours per week, will consist of nights and early mornings.

Looking for someone who is happy to work weekends. Overtime and on call available.

Attega Group is looking for a HGV Tanker Drainage Engineer to join the reactive team for a large successful Drainage company based in Gravesend. The HGV Tanker Drainage Engineer will be operating across Kent and surrounding areas, you'll visit various client sites, including industrial estates, retail parks, shopping centres, and office buildings to conduct drainage works for both planned maintenance and emergency response.

We value your expertise, and in return, we offer a competitive salary ranging from £37000 - £40000 per annum, based on your experience. Furthermore, there is tremendous potential to earn £50,000+ through overtime, along with an attractive benefits package.

Flexibility is key to success in this role, as you will need to accommodate early morning starts (e.g. 2am/3am/4am) and occasional overnight stays away from home. We take care of your accommodation expenses during these trips and provide you with a budget for meals.

We are also looking to recruit an Assistant Tanker Drainage Engineer to work with the HGV Tanker Drainage Engineer and work on a referral scheme where you can earn £500 for recommending a colleague - joint applications from a crew will be welcomed!

What you can expect from us:

Full-time position with ample overtime opportunities

Potential to earn £60k+ through overtime 24/7 worldwide personal accident insurance

Company pension scheme

Additional bonus payments for on-call weekends

Comprehensive training and personal development programs

Employed on PAYE Monday to Friday, 50 hours per week, shifts include 4am - 12pm and nights 8pm - 4am as well as normal working day - weekend work also available.

28 days of annual leave (including bank holidays)

The ideal HGV Tanker Drainage Engineer will hold their Class 2 and have experience within the drainage industry including pressure jetting and operating a tanker.

If this sounds interesting, please contact Tom on (phone number removed) or apply here.
