HGVTechnician opportunity

My client, a well-established fleet maintenance company with depots across the UK is actively seeing to employ an experienced and qualified HGV Technician to be based out of a depot in the Woodville area to work on a full time permanent basis. You will work 40 or 45 hrs per week between M-F 6am-6pm (i.e 6am – 4.30pm or 9.30-6pm) and Saturday or Sunday morning on a rota (1 in 3 or 4).

HGVTechnician

- Working in a purpose built, well equipped workshop, the successful HGV Technician will be required to undertake all aspects of vehicle service and maintenance.
- Duties range from correction of running defects to full vehicle overhauls, diagnostics and everything in between.

- You will also be required to undertake pre MOT checks and undertake any repairs that are required.
- You will be working on a modern fleet of commercial vehicles to include tractor units and rigid commercial vehicles.

HGV Technician qualifications required

- In order to qualify for the role, the successful HGV Technician will have industry recognised qualifications (NVQ or City & Guilds).
- You must have detailed experience as an HGV Technician and be familiar with modern commercial vehicles.

If you are an HGV Technician and would like to apply for this exciting role with one of the region's leading employers, make an application via this advert
