About the Company

The company is well established, having been in operation for over 60 years and they are specialists in commercial vehicle rental. Their Business has 6 rental depots, with fully equipped, modern maintenance workshops in the North and South of England. From these depots they operate in excess of 2000 vehicles (of which 1000 are above 3.5 tons).

About the role

The position of HGV Technician will involve being responsible for carrying out inspection and service routines and repairs and testing of vehicles in a professional and safe manner.

The HGV Mechanic will be reporting to the Workshop Manager and will be able to investigate and diagnose faults, report findings and be able to carry out all repairs to the current manufacturers' standards.

It would be advantageous for you to possess these skills but not essential as training will be given:

- Knowledge of cranes or hydraulics
- Experience working on tippers, tipper grabs or beaver tails
- Class 1 (C+E) or Class 2 (C) HGV Licence
