My client, a well-established business in the HGV Industry is actively seeking to employ an HGV Technician / HGV Mechanic / HGV Fitter on a rotating shift.

Working in an established team of HGV Technician / HGV Mechanic / HGV Fitter, you will be required to undertake the following;

- Carry out thorough vehicle inspections in line with the 'O' licence requirements
- Carry out any repairs required that have been highlighted on the initial inspection
- General Servicing and MOT preparation
- Fault finding & diagnostics
- Updating all required paperwork / databases

The successful HGV HGV Technician / HGV Mechanic / HGV Fitter will have the following attributes;

- hold full industry qualifications and have served a recognised apprenticeship.
- Have detailed knowledge and understanding of Truck & Trailer Maintenance
- A commercial licence would be a distinct advantage for isn't essential
- Knowledge of Hydraulic and Electrical systems, maintenance and repair

To make an application for this exciting role, make an application via this advert or alternatively, call Russ at Autoskills on (phone number removed) for further information.
